NEW CATALOGUE

Certificates

We Care the World.

By using high quality organic cotton and recyclable materials, we decrease the consumption of water, energy and chemicals.

With our R&D team we create what is best for you and our planet.

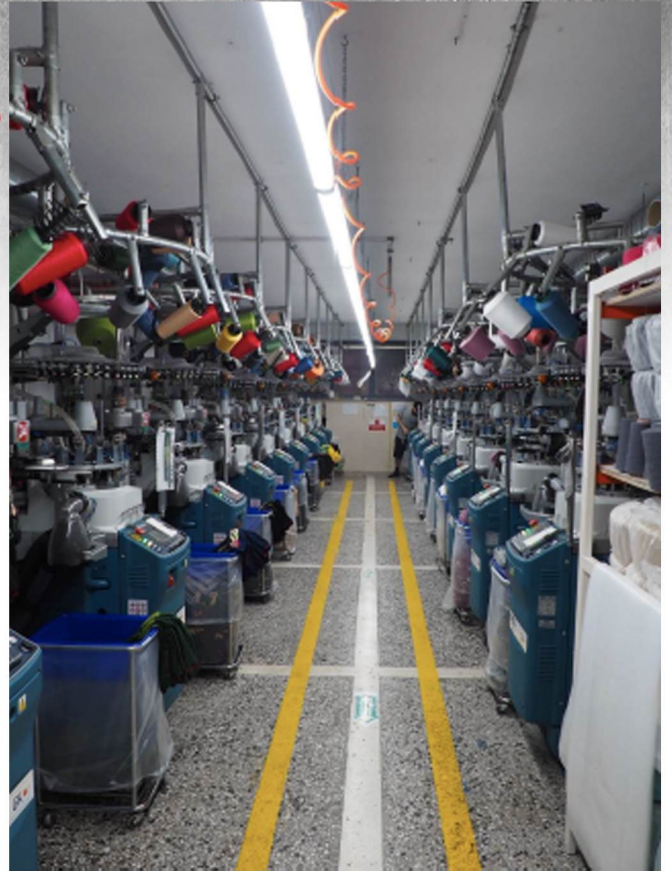

NEW CATALOGUE

Production

Production Area

All seamless toe, latest version machines ready for your orders.

Washing

For a better final product, the washing procedure cleans the knitted socks to remove oils, dirt, and chemicals, ensuring sanitation and quality.

Steam Boardig Machine

Steam is needed to relax the fibers and set the shape of the socks, enhancing their fit and appearance.
